Competitor Briefing:

There will be a compulsory Professional briefing at the BlackSeaRama Clubhouse before the Opening Ceremony on the evening of registration day. Attendance is **COMPULSORY** from all PGA Professionals only and will cover various procedures for the event.

04. CONDITIONS OF PLAY

The event shall be played under The R&A Rules of Golf, the Tournament Regulations of the CPG, the 2025 CPG Conditions of Competition and the local rules for the BlackSeaRama, Lighthouse and Thracian Cliffs courses as determined by the CPG Chief Referee.

Team Scramble [01/02 July]:

The round on Thracian Cliffs will be played as a [Texas] Scramble for all Teams. Only team scores will count for this round. All four players will tee off, the best drive is selected, all 4 players play from this position, choose the next best shot and all 4 players play from this position and so on (one team score per hole). A Minimum of 3 tee shots per person must be selected. Full format details will be shared during the Professional Briefing.

Professional Competition [03/04 July]:

The Professionals will compete in a 36-hole individual strokeplay competition, played on BlackSeaRama and Lighthouse golf courses.

Team Competition [03/04 July]:

Teams (consisting of 1 Professional and 3 Amateurs) will compete over 36 holes stableford with the best two scores from the team of four to count on each hole.

The amateur handicap index limit is 28.0 for men and 36.0 ladies. This handicap index will be sloped first, then reduced to a 75% allowance. The resulting playing handicap will also be limited to 28.0 for men and 36.0 for ladies. The World Handicapping System [WHS] will apply to the tournament and each amateur will play from the applicable playing handicap.

Amateurs are required to provide their exact handicap at the time of entry and **MUST** provide a handicap certificate as per the above instructions. **NOTE:** All prize winners will be required to provide current proof of handicap before their team is presented with their prizes.

NOTE: It is the Professional's responsibility to ensure that the CPG is made aware of their amateurs' correct exact handicap.

Prizes:

Amateurs - [TO BE CONFIRMED]

In the event of a tie in the Pro-Am category, prizes will be determined by a card countback based on the scores achieved over the last 18 holes, then 9, 6, 3, and last hole.

Professionals

The Professional Prize Fund is €33,000 based on 33 teams competing in the Pro-Am, which will increase or decrease pro-rata by €1,000 for any teams more than or less than 10 [The Prize Fund is also subject to a CPG 5% Levy].

In the event of Ties in the Pros division there will be a sudden death play-off taking place on BlackSeaRama golf course straight after play has finished on Friday 04 July.

Any disputes regarding the interpretation of these Conditions of Competition will be settled by the CPG Tournament Manager in consultation with BlackSeaRama Golf & Villas and will be binding.

NOTE: No changes to the draws will be permitted once they are posted and the decision of the Tournament Manager will be final.

06. STARTING & TEES

All competitors are required to be at their starting tee 10 minutes prior to their start time. This is to allow the starter to provide pin positions, local rules and additional information to each player. This also ensures that all team members are present and able to start on time.

For example, a Male Amateur over 60 years of age MUST play from the 'Male Amateurs (60+)' sites on all 3 courses if they choose this. In this example can they CANNOT switch between 'Male Amateur' and 'Male Amateurs (60+)' at different courses.

07. BUGGIES

For the round at Thracian Cliffs buggies will be provided to ALL competitors and ALL competitors (Amateurs and Professionals) can ride in them for this round ONLY.

For tournament rounds at Lighthouse and at BlackSeaRama, Buggies are available to ALL AMATEURS ONLY, however these are AT THE PLAYER'S OWN COST and are on a first-come-first-served basis.

09. RULINGS & DOUBT AS TO PROCEDURE

There will be a CPG Rules Official on each course at all times to deal with any disputes. If, however, there is no Rules Official present, the player may invoke Rule 20.1c(3) (two ball rule). The player must nominate the ball with which he wants to score, should the rules permit, and report the facts to a CPG Official

immediately after the conclusion of play. Failure to do so will result in disqualification.

10. DISTANCE MEASURING DEVICES

All competitors will be permitted to use distance-measuring devices provided they measure distance only. If a player has any doubt as to whether a device is conforming, they should seek the advice of a CPG official.

11. SLOW PLAY

For everyone's enjoyment we ask for each team to "keep up with the team in front, and not in front of the team behind". If a player is not going to score on a hole, he/she is requested to please "pick up". A Pace of Play will be enforced on the courses.

It will be the Professional's responsibility to ensure that the team's pace of play adheres to the guidelines of the Tournament Manager. A pace of play policy will be published for each course and MUST be followed by all participants.
